Repeat Stage No1\_168x74.5cm\_2018

Repeat Stage No1\_168x74.5cm\_2018. This artwork is a highly detailed, multi-layered mandala-like structure with a central vertical axis of symmetry. It features a rich palette of colors including deep blues, purples, pinks, yellows, and greens, set against a dark background. The design is intricate, with many small, repeating geometric and organic forms that create a sense of depth and movement. The overall effect is that of a highly detailed, multi-layered mandala or a complex architectural facade illuminated with vibrant lights.
